

Otter Class Home Learning

Thursday, 1st October 2020

Dear Otters,

Here is your homework for this week:

Maths – see page 2

Reading

Please read for 15 minutes, as often as you can each week, to an adult and make sure they ask you questions about the book you are reading. Remember, at the end of each reading session at home, you should ask your adult to complete your reading record, which we will be checking regularly in class. Please remember to wash your hands before and after handling your books.

Times tables

Please practise the times table you are on daily, using which ever format that helps you (remember you have Times Tables Rock Stars and Mathletics as well!)

Spelling

Remember to start learning your 'words to learn' list in this letter for a test on Friday next week.

Do email the class (otter@stmarys.rbksch.org) if you have any questions.

Have a lovely weekend!

Mr. Angus, Mrs. Sullivan and Mrs. Wakeling

Name: _____

Maths Homework – Set 01.10.20. Hand in 05.10.20

LO: to round numbers to the nearest 10 and 100

Round these numbers to the nearest 10:

- 1) 89
- 2) 44
- 3) 116
- 4) 272
- 5) 1,207

...and round these to the nearest 100

- 6) 2,493
- 7) 4,165
- 8) 6,009
- 9) 11,084
- 10) 23,451
- 11) 99,449

12) & 13)

A number is rounded to 370
What could all the possibilities be?

370

Two different two-digit numbers both round to 40 when rounded to the nearest 10

The sum of the 2 numbers is 79

What could the two numbers be?

Is there more than one possibility?

LO: to use my knowledge of place value to solve a problem

Sid the snake has these digits.

9 0 4 2

He says the smallest number he can make with the digits is

2 940

Is he correct?

Explain your reasons.
