

# Superheroes!

Hello Butterfly Class,

I hope you are keeping well and had lots of fun exploring all about penguins. Thank you so much for sending me photos of your fantastic learning it puts a smile on my face to see you having fun with the activities. Please do keep sharing your home learning with me and look out for your photos on our weekly update. The home learning is all about Superheroes this week. Friday 8<sup>th</sup> May marks the 75<sup>th</sup> Anniversary of VE day and many families will be celebrating with street parties (socially distancing) as they thank the men and women who served and made enormous sacrifices during WW2. In the context of the current global situation, ordinary as well as extraordinary acts of kindness, bravery and resourcefulness have never been more important and relevant. We all have a part to play in keeping each other safe, happy and healthy which, in my opinion, is a pretty amazing superpower! I hope you have a fantastic week and stay safe.

Miss Cameron

## Thank You

We are lucky to have so many people who look after us.

How many people can you think of that look after us?

This could be friends, family, doctors, nurses, delivery drivers, police officers etc.

Can you make a card and write inside to say thank you to one of these heroes?

## Superhero shape hunt

How many shapes can you find in your house?

Can you find a square, rectangle, circle and triangle in your house?

What other shapes can you find?

Challenge: Can you find a pentagon or hexagon?

In your yellow book draw the shapes and record next to it what you found in your house. Use your phonics sounds to help you write the words.

Example:

borl

plait

## Super Phonics

The three sounds of the week are

**s, oo and ear**

How many words can you think of that have the sounds in the beginning, middle or end of the word?

Can you write three words for each sound in your yellow book?

Choose one of the words and write a simple sentence: e.g. The sooperheara is strong.

The spelling does not have to be correct but must be phonetically correct. The words must be written to match the sounds.

## Doctor Ranj

Watch Doctor Ranji explain all about Coronavirus and why we can't come and see our friends in Butterfly Class.

<https://www.bbc.co.uk/iplayer/episode/p08bmd70/get-well-soon-coronavirus>

We can be Super Helpers by washing our hands, playing with our siblings and factiming our friends and families.

Can you facetime or phone a friend and say hello and tell them all about how you are being a Super Helper?

## Superhero Lookout

Can you make your very own superhero lookout Den? You could even dress up as your favourite superhero.

## Superhero Story

Can you write your very own story using your phonics knowledge all about a superhero?

An adult can help you by writing some of the sounds / words for you (if you cannot hear the sounds in the word or long words with multiple sounds. I cannot wait to read your stories!

## Superhero Yoga

Can you use your strong muscles to make superhero poses with Jaime?

<https://www.youtube.com/watch?v=lx08FrWBp0g>

## Superhero

Can you draw your very own superhero and label what superpowers it has using your phonics sounds? I cannot wait to see what special superhero powers your superhero has!

## Super Helper

Can you be a super helper at home and help with cooking dinner?

You could help by measuring ingredients, mixing them together, pouring ingredient etc.
