

Dear Parents and Carers,

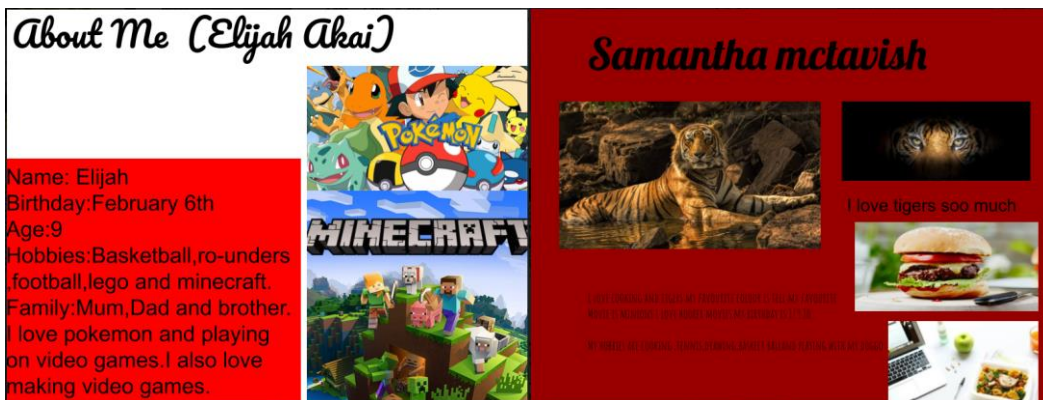

Owl class have had an excellent week of learning this week. We have had some excellent maths lessons where we have been focusing on place value; have started our class reader 'How to Train Your Dragon', evening finding time to learn about the Anglo-Saxons and the properties of different materials!

I have been really impressed with all the children's learning; they are clearly relishing being back in school and have simply been a joy to teach. I hope you all have a restful weekend and I will see you on Monday.

One final reminder: reading books and homework have now gone out. Please ensure that your child is reading and bringing in their reading book and reading record each day. More details on reading, as well as the rest of the homework, is detailed on the home sheet.

Many Thanks,

Mr Charlton and Mrs Searle.

Here is some of the work created by the children in a recent Computing lesson where they were able to use Chomebooks to create a poster all about them.
