

# Falcon Class

Friday 2<sup>nd</sup> October 2020

This week we have been focusing on using the column method for addition and subtraction in Maths. We have been careful to align our digits carefully to avoid any errors in our calculations. In English, we have begun to identify the main features of a newspaper article to help us when we come to write our own next week, linked to our class text, Macbeth. In Art, we have been focusing on repeated patterns in Greek art. We will share these with you next week.

Please have a look at the gallery on our class page on the school website- we are so proud of our writing. Do feel free to have a read and share any positive feedback to us!
