

Owl Class

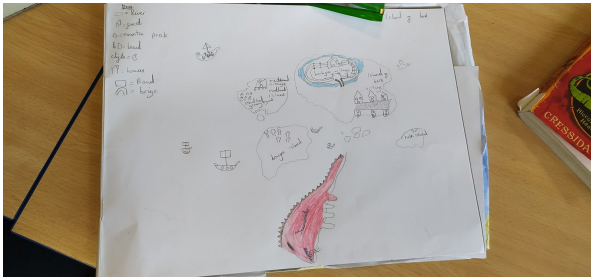

16th October 2020

Dear Parents and Carers,

Another wonderful week has passed for us in Owl Class. We have continued to read 'How To Train Your Dragon' and have had a blast doing so. Mr Russ has been working the children hard in P.E. and they have been really enjoying their sessions with him. I may even have to join in at some stage! In maths, the children have worked well on statistics, particularly with line graphs. I have been impressed with how well they can interpret data and even create their own questions! In addition to all this hard work, the children have begun to flex their creative muscles too. We've continued our work on the glockenspiels in music and have been creating our own maps of the fictional island of Berk, where our book 'How To Train Your Dragon' is set.

In other news, I'm sure you have noticed the change in temperature over the last few weeks. In order to be minimise risk from Covid19, we must keep the doors and windows open to ensure a through-draft. Please ensure your child is wearing any extra layers they might need and that they are bringing a coat to school everyday. Due to the drop in temperature, the children can also wear a coat in class, if needed.

Finally, thank you all for taking the time to meet with me this week! Due to Covid, I have not been able to get to meet properly prior to this but it has been a pleasure chatting with you all and it is a joy to tell you all how wonderful your children are. THANK YOU!

Have a lovely weekend,

Mr Charlton and Mrs Searle.
