

# Owl Class

5th November 2020

Dear Parents and Carers,

A huge welcome back to school! It was lovely to see all of your children return refreshed and excited for another fun-packed half term.

This half term, we will be studying:

- English - The Highwayman and The London Eye Mystery
- Maths - Multiplication, division and measurement
- Geography - Human Settlements
- Science - Materials and their properties
- Music - Glockenspiels
- R.E. - Why is light an important sign at Christmas?
- PSHE - Getting on and falling out.

It has been a lovely week so far and I am hoping that we continue in the same excellent manner that we have started the year in!

Have a lovely weekend,

Mr Charlton and Mrs Searle.
