

Owl Class

12th March 2021

Dear Parents and Carers,

Firstly, I'd like to say a HUGE thank you for all the support you gave me and the children during lockdown: It was incredibly impressive to see all the hard work that the children put into their home learning and I know that part of that success is down to the work that you as parents put in. Thank you!

I'd also like to say that it was lovely to see you all at the gates on Monday morning! I haven't been that excited in a while. Our first week back in Owl Class has been an absolute pleasure; the children have loved coming back into school and they have certainly missed being in the class, in person, as a whole group. We have also settled down into the

class routine brilliantly and the children have been excellent at reaffirming the class expectations. We even pretended to be cooks and did some drama about 'cooking up' a happy classroom. Setting expectations at this stage of our return is invaluable, as getting these right now means that we will be able to get down to learning new and exciting things quickly!

Here's a picture of us working on a short piece of writing for a 'welcome to our school' book. We have a new child joining the class and we've thought of lots of things that they need to know about us and our lovely school.

This morning, we had a lovely breakfast together to celebrate our first Friday back in school. Thank you to all those parents who have contributed to the class fund: without your kindness this would not have been possible!

Enjoy your weekend.

Mr Charlton and Mrs Searle.
