

# Owl Class

7th May 2021

Dear Parents and Carers,

We have had another great week in Owl class this week!

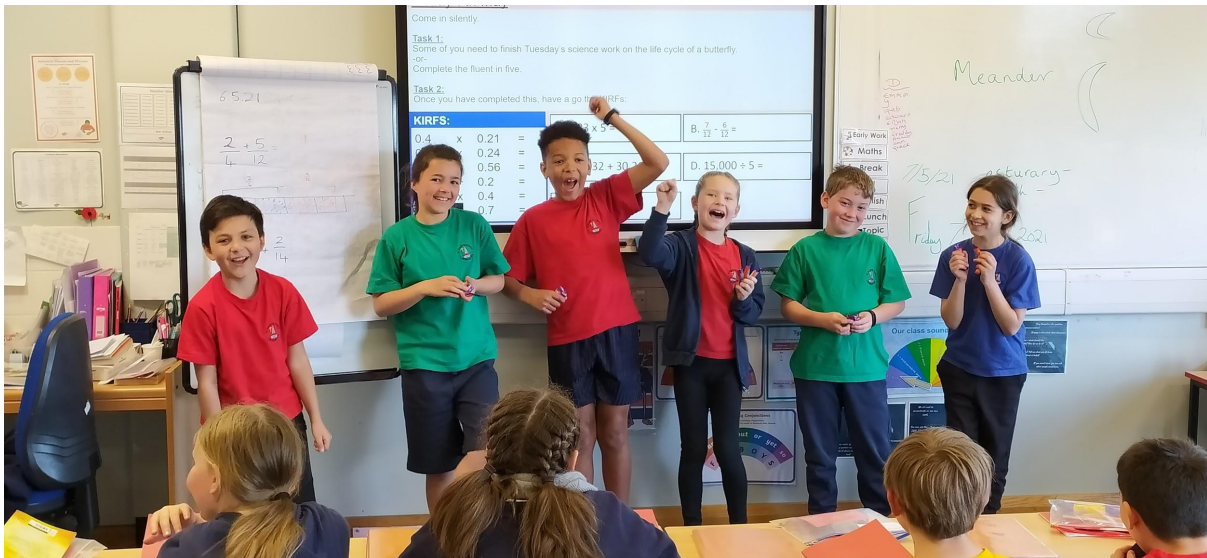

We have continued to work on our text 'Journey To The River Sea' and we have been really testing our skills of comprehension, teamwork, self-awareness as well as having fun! The children were organised into groups and were given a quiz on the events of chapter three. After some tight rounds with scores after each round leaving multiple teams tied! However, in the end there could only be one winner and that was Elijah, Robert and Emma's team and Fin, Leah S and Tally's team! Well done guys!

In maths, we have continued to learn about fractions and the children are continuing to develop their knowledge of this. I know that Mrs Playle was particularly impressed with their knowledge when she taught them on Thursday morning!

We have also been learning about rivers in geography this week and the children are beginning to get into the flow (pun intended) of the topic; there is certainly a lot of vocabulary for them to learn, why not see if they can remember the meaning of the following words:

- Confluence
- Source
- Sediment
- Meander

Here is a picture of the winning teams from our quiz earlier in the week!

Have a lovely weekend!

Mr Charlton and Mrs Searle.
