

Owl Class

14th May 2021

Dear Parents and Carers,

We have had an incredibly busy week in Owl class this week!

Firstly, I'd like to thank you all for attending our parents' evening this week. It is such a blow not to be able to chat with you all casually at the end of every day, so it makes it all the more important when I am able to tell you how fantastic your child is! I hope you enjoyed being able to talk about your child and that you found it informative.

This week, we've been working on a letter as a character from our text 'Journey To The River Sea' and I have been incredibly impressed with the children's work so far; they are very excited to write it and we are hoping to present it on our books in an interesting way... more new on that next week.

Looking forward to next week, we are going to be creating another website and I'm asking that, if there is time during your weekend or the first part of the week, could the children please go and do some independent research on Sir David Attenborough? Try to concentrate on:

- Key facts - age, place of birth, early life,
- What he is famous for,
- Are there any other important achievements he has gained in his life?

We are hoping to use this information as a part of a wider piece of work and it would be helpful for the children to have some prior knowledge before starting.

Here are some pictures of the children's draft letters and them working hard in a geography lesson.

Mr Charlton and Mrs Searle.

Owl Class

14th May 2021

Have a lovely weekend!

Mr Charlton and Mrs Searle.
