28.3.20-3.4.20

Writing

I love seeing all your fantastic Easter messages for your families.

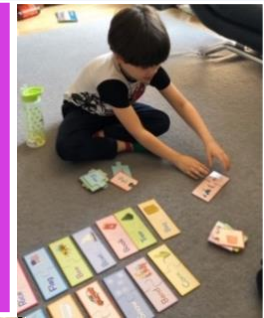

Maths

It has been so great to see you all trying lots of different maths challenges. I know lots of you are having great fun on Numbots.

Board Games

I wonder what games you can find at home to play with your families.

Junk Modelling

You can create anything out of junk modelling! I love seeing your amazing creations.

Planting

Have you noticed any changes to your seeds this week? Remember they need lots of water and sunlight!
