## Bears 24.4.20

### Postcards

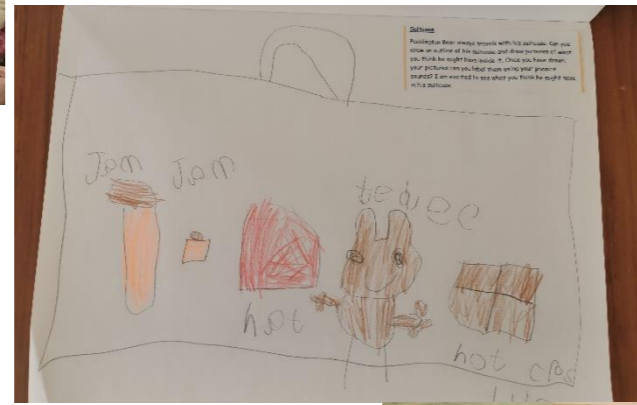

Did you write a postcard to a friend or family member? I bet they loved receiving your special post.

### Bear Maths

Did you have fun ordering your bears from largest to smallest? I know you had lots of fun finding all the bears around your houses.

Did you choose to measure your bear and record the size in centimetres? How many centimetres was your largest teddy?

### Suitcase

I wonder what you chose to pack in Paddington Bears suitcase.

Did you pack his favourite pot of marmalade jam?

Did you pack his red hat?

### Cycling

Lots of our friends are enjoying the sunshine and visiting the park on their bikes.

### Teddy Bear Picnic

What did you have at your picnic? Did you have marmalade sandwiches just like Paddington? I had strawberry jam in my sandwich!
