

# Year 5 Home Learning

Date Set: Thursday 8<sup>th</sup> October

Dear Owl Class,

Every single one of you have worked incredibly hard this week and I am incredibly proud of you! Here are your bits of homework for this week.

## Spelling

- This week's scores were excellent again, with many people getting full marks. Thank you for taking the time to practise with the children as it is clearly paying off.
- Keep practising – next week will be unit 5 – more words from the Year 5/6 word list.
- I am also sending home a list of the Year 3 and 4 words that you ALREADY know. These will be highlighted. Please continue to practise the ones that are not highlighted, as these are the ones that you still need to learn. There will be another chance to test your knowledge on these later in the term.

## Reading

- Thank you again for reading with your children. I can see from the reading records that there is lots of it going on!
- Please continue to read for at least 15 minutes every night and have at least 3 reading entries signed by your parents in the reading record each week.
- Reading is one of the key ways to improve your knowledge of new vocabulary, various sentence structures and therefore improve your writing. Being able to read means you can access even more learning on other subjects too. It is also fun!

## Times tables

- Similarly, the times tables knowledge is excellent again in Owl class! Most children are now working on their tables from 2-12 with division facts mixed in. This is brilliant!
- The KIRFs document has now been sent out. Please use these to supplement times tables practise at home. Focus primarily on the Year 4 and 5 facts, as this is where children are currently working.
- Please continue to use TTRockstars to maintain your fluency in times tables, if required; it is a fun way to practise and it helps you by spotting tables that you need to practise and gives you these to try.

Have a great weekend!

*Mr Charlton and Mrs Searle*
