Date set: Thursday 8th October 2020

Date due: Monday 12th October 2020

Dear Falcon Class,

Maths:

This week I am only setting you maths homework, (including spellings and reading as normal). Please complete the sheet on multiplying 2, 3 or 4 digit numbers by a 2 digit number. Use long multiplication or the grid method.

Spelling

Please learn your spellings to be tested **next Friday**. The words you have been given cover a mixture of spelling rules you have previously done in Year 5; some children have a mixture of Y3/4 words.

Important:

- Please practise **Group 1 of the Year 5/6 End of Year words as I will test them on Monday 12th October. Some children will be tested on group 1 of the Year 3/ 4 words, depending on your spelling baseline.**

Reading

Reading and building vocabulary is an important life skill. Please do try to read for at least 10 minutes every night and have these signed by your parents in the reading record. We will check the reading records every **Friday**.

Remember you do also have the opportunity to complete your homework on Monday lunchtime if needs be.

I hope you have a great weekend!

Miss Hurdhan
