

# Falcon Class Home Learning

**Date set: Thursday 19<sup>th</sup> November 2020**

**Date due: Monday 23<sup>rd</sup> November 2020**

Dear Falcon Class,

## English:

1. Circle the subordinating conjunction.
2. Underline the main clause and subordinate clause.

## Maths:

Please complete the questions on multiplying fractions and dividing fractions. The videos below will help with the explanation. I have also broken this down in steps on the maths worksheet.

## Spelling

Next week I will be testing you on the Y5/6 words which I will test on Friday. If you find these challenging only focus on the first six words. Continue to practise **group 5** of the Year 5/6 or 3/4 end of year words (depending what you are on). I will be testing you on the **30<sup>th</sup> November**.

You were given a copy of the year 3/4 and year 5/6 spellings words in September. There are copies of both on the website under the Falcon class page if you need a replacement.

## Reading

Reading and building vocabulary is an important life skill. Please do try to read for at least 10 minutes every night and have these signed by your parents in the reading record. We will check the reading records on Friday.

Remember you do also have the opportunity to complete your homework on Monday lunchtime if needs be.

Miss Haurdhan
