Dear Falcon Class,

Who whose which when that

Don't forget your commas!

Maths: BODMAS

Please complete the maths questions based on BODMAS:

Brackets, power of, division, multiplication, addition and subtraction.

Look at the calculation and decide which operation to do first by looking at the rule and order above.

N.B. Both maths handouts I have given you today have less questions than the attachments. I am happy for you to do these 10-11 questions only.

Spelling

Next week I will be testing you on the hyphenated words which I will test on Friday. Instead, practise **group 4** of the Year 5/6 or 3/4 end of year words (depending what you are on). I will be testing you on the **16th November**.

You were given a copy of the year 3/4 and year 5/6 spellings words in September. There are copies of both on the website under the Falcon class page if you need a replacement.

Reading

Reading and building vocabulary is an important life skill. Please do try to read for at least 10 minutes every night and have these signed by your parents in the reading record. We will check the reading records on Friday.
