

Falcon Class Home Learning

Date set: Thursday 24th September 2020

Date due: Monday 28th September 2020

Dear Falcon Class,

Reading records will be checked and signed on Friday of each week, as this fits nicely within our class timetable. Please make sure that this is in school everyday as I occasionally hear you read in class and we practise spellings daily in class.

Spelling

- Please learn 'Unit 2' of spellings to be tested **next Friday**. You could use rainbow write or pyramid writing as a strategy to learn your spellings, when you practise them at home. I do not need to see evidence of this.

We will record the spelling test in the back of your English book each week and I will share this with your parents at the end of the term, or earlier, if I have any concerns.

Learning to come...

- Year 5/6 End of Year spelling words- this will come in due course, once I have finished my baseline assessments.

Reading

Reading and building vocabulary is an important life skill. Please do try to read for at least 10 minutes every night and have at least 3 reading entries signed by your parents in the reading record.

Reading records should be brought in everyday. If you haven't read for the sufficient amount of time then you will stay in to complete this part of the homework at the beginning of lunchtime.

Maths

Please complete the learning on negative numbers, based on our learning this week. If you need a numberline to help you, then please ask me or alternatively you can draw one out.

English

We have been looking at language in context. Please complete the two sheets which show examples of this. You will need to read the whole sentence to help you understand the context. The next sheet is linking associated words together.

Remember you do also have the opportunity to complete your homework on Monday lunchtime if needs be.

I hope you have a great weekend!
