

Falcon Class Home Learning

Date set: Friday 18th September 2020

Date due: Monday 21st September 2020

Dear Falcon Class,

Welcome back to a new year and welcome especially to Year 6. We have an exciting year ahead of us filled with hard work but fun learning at the same time.

As it is the first full week back, I will slowly be easing you into the homework set in Year 6. Please see below. Reading records will be checked and signed on Friday of each week, as this fits nicely within our class timetable. Please make sure that this is in school everyday as I occasionally hear you read in class and we practise spellings daily in class.

Spelling

- Please learn 'Unit 1' of spellings to be tested **next Friday**. You could use rainbow write or pyramid writing as a strategy to learn your spellings, when you practise them at home. I do not need to see evidence of this.

We will record the spelling test in the back of your English book each week and I will share this with your parents at the end of the term, or earlier, if I have any concerns.

Learning to come...

- Additionally, you will also be tested **fortnightly** on the Year 5/6 End of Year spelling word expectations. You would have seen this list in Year 5 and I have already uploaded it to our class page on the school website. I have also attached a copy below.
- Practise them as often as you'd like but we will test you in the back of your English books on a given date. Some children who are not yet secure on the Year 3/ 4 End of Year words will be practising group 1 from this list instead.

Please wait until I have completed my start of year spelling assessments before I can allocate which list each child should be working on.

Year 6 words to learn-revising Y5 rules
Fought
Through
Cough
Plough
Delicious
Advise
Prophecy
Invisible
Tolerant
reasonable

Rainbow Write

First write each word in pencil. Then trace over each word three times. **Each time you trace, you must use a DIFFERENT colour crayon.** Trace neatly and you will see a rainbow!

Pyramid Writing

"Pyramid write" your spelling words. You must write neatly!

*Example: home h
ho
hom
home

Reading

Reading and building vocabulary is an important life skill. Please do try to read for at least 10 minutes every night and have at least 3 reading entries signed by your parents in the reading record. **Reading records should be brought in everyday.** If you haven't read for the sufficient amount of time then you will stay in to complete this part of the homework at the beginning of lunchtime.

Maths

This week we have been rounding whole numbers and rounding to the nearest 2 decimal places. Please complete the sheet and return back on **Monday**. I have attached a website that could help with the explanation. https://www.youtube.com/watch?v=GR_y_UhR8g

Remember you do also have the opportunity to complete your homework on Monday lunchtime if needs be.

I hope you have a great weekend!

Miss Hurdhan
