

Falcon Class Home Learning

Date set: Thursday 23rd October 2020

Date due: Monday 2nd November 2020

Dear Falcon Class,

Mathletics

Please log into Mathletics and complete the Place Value questions that I have assigned to you. Some parents are keen for some of these activities over half term, so I have assigned a few to you and you can complete as much as you want to during the week. It is important to take your time with this and to work through the questions carefully; I am able to see your progress scores for each unit. This is looking at our learning on place value from the first three weeks in September.

Times tables

It is really important that you know your timestables up to 12 x 12 confidently, as a large part of our learning is dependent on your knowledge of times table facts. If you are not confident with this, please take some time over half term to practise- you can use timestable rockstars or other websites to help you.

Spelling

Please practise **Group 2 and group 3** of the Year 5/6 End of Year words as I will test them on **Monday 2nd November** when we return from the half term. Some children will be tested on group 2 and 3 of the Year 3/ 4 words, depending on your spelling baseline.

Reading

Reading and building vocabulary is an important life skill. Please do try to read for at least 10 minutes every night and have these signed by your parents in the reading record. We will check the reading records on **Friday**.

Remember you do also have the opportunity to complete your homework on Monday lunchtime if needs be.

I hope you have a great half term.

Miss Haurdhan
