

Welcome to Squirrel Class

I am Mrs Rose and
I cannot wait to
teach you next
year! We are going
to have so much
fun.

Dotty, Nugget,
Leia and Mildred

Solo

These are my pets...

Luna

Chewie

These are my children
(do you recognise anyone?)

We start going to assembly

We have a new playground

In year 1...

We start to learn Spanish

We go in through this door when we arrive at school

This is Sherlock!

Sherlock will be in squirrel class with us. Sometimes he makes mistakes with his counting and sounds so you might need to help him.

If you have had an amazing week at school, you may be able to take Sherlock home with you for the weekend!

Over the summer holidays I would really like it if your grown up could send me 3 photos of your favourite activities during the break. These can be emailed to me at squirrel@stmarys.rbksch.org
