

# Welcome to Butterfly Class

Welcome to Butterfly Class. We cannot wait to meet you!

Miss Cameron  
Reception Class  
Teacher

This is the door that we come into the classroom.

This is where we hang our coats and lunchboxes. You will have your very own peg with your name on.

We keep our wellies under our pegs so we can play outside in the rain.

We have so much fun in Butterfly Class!

This is our role play area. We have lots of fun making food for our friends.

This is our writing table. We love drawing pictures for our friends and families and using our phonics sound to write stories.

We have lots of stories in Butterfly Class that we share together. We read a story every day.

We have lots of fun  
maths resources and  
games. We enjoy making  
our very own  
Numberblocks with the  
cubes.

Look at our small  
world resources!  
We have cars,  
dinosaurs, Lego,  
horse, people,  
animals and many  
more resources  
for you to enjoy  
with your new  
friends.

Outside we have our very own water area. We have lots of water toys for you to explore.

You can even ride on one of our scooter or bikes in Butterfly Class.

We have lots of balls, bats, skittles and hoops to play with. We love learning new games.
