

Squirrel Class

Home Learning Thursday 1st October

Dear Parents,

This week we have been busy ordering numbers, programming beebots and writing stories. We have continued learning about the seasons and have been talking about the weather this week as well as what evergreen and deciduous trees are.

Our phonics focus this week have been the digraphs ch, sh and th. We have practised writing these as well as discussing words which include these sounds. For home learning this week please talk to your child about these digraphs and ask them to suggest words which include each sound. These could be recorded in their red phonics book.

Next week we are going to create a mini me of each child for them to play with within the small world resources. For home learning, please could your child choose their favourite outfit (dress up, party clothes, football kit etc.) and put it on for a photo. Please could this photo be emailed to me at squirrel@stmarys.rbksch.org.

I hope you all have a lovely weekend.

Many thanks,

Gemma Rose
