

Butterfly Class

Friday 9th October 2020

This week in Butterfly Class we have started learning our phase 2 phonics sounds. We have learnt s, a and t. We have also started blending our first three words (as, at and sat). We have had so much fun playing games and forming our letters. Outside we have been making shapes with our special sticks as well as drawing pictures using shapes.

Books we read this week:

Reminders:

Please return the red sound book on Wednesday and the reading / phonics folder on Thursday morning so that they can be returned on Thursday afternoon.

Book bags need to be in school every day from Mon 12th October so that we can send home learning.

Many Thanks,

Miss Cameron and Mrs Sheen
