

Hedgehog Class

Friday 16th October 2020

Dear Parents & Carers,

This week we have enjoyed engaging with our new story 'Powerless'. We have made predictions about what we think will happen next and inferences based on what we could see. We have continued to write descriptive sentences using adjectives and noun phrases. In Maths, we have been learning our number bonds to 100 and using our known facts of number bonds to 10 to help us.

In Science, we have continued to investigate different materials. We have tested them to see which we can squish, bend, twist and stretch.

Hands, Feet, Heart

Parts arranged Joanna Mangona
© 2012 Charanga Ltd.

Count-in: 1 2 3 4, 2 2 3 4
Intro: 1 2 3 4, 2 2 3 4

repeat as required

Count-in: 1 2 3 4, 2 2 3 4
Intro: 1 2 3 4, 2 2 3 4

repeat as required

In Music, we have continued to learn how to play a tune on the glockenspiels. We have started learning two parts we hope to blend together next week!

See you all again next week!

Miss Burrage & Miss Lewis
