

Butterfly Class

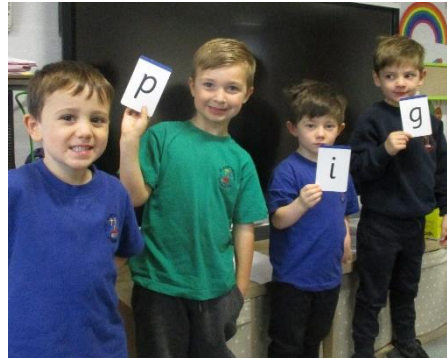

Friday 22nd October 2020

This week in Butterfly Class we have been exploring with pumpkins. We counted out the pumpkin seeds and enjoyed placing them on the tens frame to count to 10. This week we learnt the sounds m, d and g. In half term can you log on to the google classroom and complete the half term homework. Can you share a photo of you enjoying your half term? Google Classroom logins were stuck onto the front of the reading record this week. We hope you have a fantastic half term.

Books we read this week:

Photos:

Reminders:

Please make sure that you return your child's red book on Wednesday to be updated and returned on the Thursday.

Reading books are changed and returned every Thursday. Please make sure you return the book in the A4 folder with the reading record inside the yellow A5 Folder. If the folders are not returned it makes changing the books more difficult.

Please also make sure that all uniform is clearly name labelled as this makes it possible to return it when it goes missing.

Have a wonderful half term. Well Done Butterfly Class for completing you first half term in Butterfly Class.
