

Squirrel Home Learning & Newsletter

05.11.20

Dear Parents/carers,

We have had another busy week in Squirrel Class! The children have worked incredibly hard to write a poem about Autumn using their senses. We have been learning about addition in maths and have begun to use a number track to help us add. The children have enjoyed the addition of a dolls house and this has prompted children to discuss how they could make furniture for it. We have also added a game of snakes and ladders which the children are enjoying playing, this has encouraged lots of the children to have a go at making their own versions of a board game.

This week we have discussed bonfire night and everyone enjoyed decorating biscuits to look like fires- they were very yummy! We have also read the story of 'Where the poppies now grow' and discussed what Remembrance Day is and why we wear a poppy.

Next week we will be completing our writing about our favourite toys. If you have not done so already, please email me a picture of their favourite toy to squirrel@stmarys.rbksch.org as this will allow us to have a visual prompt during discussions at school.

Next week we are going to complete our first (informal) spelling test. We are going to focus on the phase 2 tricky words and so for homework this week, please could you help your child learn how to spell the following words.

I
go
to
the
no
into

Please continue to ensure that your child brings their book bag and reading record into school every day and sign when you have read with them.

I hope you have a lovely weekend,

Mrs Rose
