

Butterfly Class

Friday 13th November 2020

This week in Butterfly Class we have been enjoying the story 'My Pet Star' by Corrinne Averiss and Rosalind Beardshaw. We learnt how the star fell out of the sky. A little girl picked the star up from the ground and made it better again. We made our very own pictures of the story and enjoyed retelling the story to our friends. We also learnt the Makaton signs for the song 'Twinkle Twinkle Little Star'. Can you show your family the actions?

Phonics:

This week we learnt the sounds e, u and r.

Can you read these words?

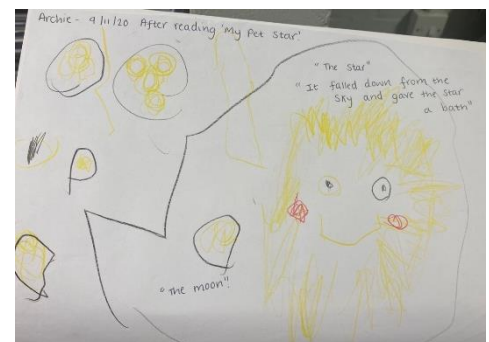

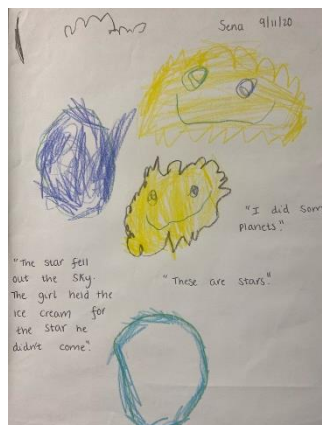

- up
- pet
- rat
- ten

Can you read this caption?

Pat a dog

Photos

Reminders:

- Please make sure that the reading folders are returned on Thursday morning inside the book bag so that we can change them and the sound books are returned on Wednesday.
- If your child is having school dinners please make sure you order online the day before.
- If you have had a white envelope with forms in from the office please return them as soon as possible.
