

Fox Class

18th December 2020

We've had a really lovely week getting into the festive spirit!

Thanks to the generous donations to our class fund, we were able to take part in several fun craft activities including making an egg box snowman, painting a ceramic decoration and creating a glittery Christmas card. We enjoyed learning how to play Jingle Bells using the glockenspiels and some percussion instruments, and had a fantastic time having our delicious Christmas lunch!

Well done for a fantastic term Year 3, and have a well-earned holiday. We look forward to seeing you all in January.
