

# Volunteer Police Cadets

Dear Parent/Guardian,

Kingston Police are looking forward to another year of Junior Cadets after school club at St Mary's.

We are looking to recruit the year 6 students, from April on Wednesday's from 1520 - 1620. The programme will include various police related lessons and activities, learning how things work and how to spot a crime - all the while building positive relationships with the police. This will be combined with games and initiative exercises. The cost will be a £10 donation for the full summer term paid on the first week.

The programme will be led by police officers and cadet leaders who have been coached in mentoring and leadership. It aims to provide a safe consistent activity as they make the transition from primary to secondary school. It also involves the children working together to learn about police officers and how they can help us and will provide an insight into the different areas, skills and specialist groups within the police service.

We will be adhering to current Covid19 guidelines in line with our risk assessments and also the schools'. We will need the attached Health and Permission form signed and completed prior to joining.

Thank you and very kind regards

PC Juliet Saunders
