

Hedgehog Class

Wednesday 31st March 2021

Dear Parents & Carers,

The children have been working very hard to learn how to solve fractions of a number. We have looked at halves, quarters, thirds, unit fractions and non-unit fractions. In our topic lessons we have learnt about Neil Armstrong and his mission to the moon on the Apollo 11.

Today we had lots of fun creating Easter cards, making cakes and cracking the code in Maths. We also played lots of team games!

We hope you have a lovely holiday,

Miss Burrage and Miss Lewis
