

## Squirrel home learning and newsletter

9th July 2021

Dear Parents/carers,

What a fantastic week we have had in Squirrel Class this week! We have celebrated England getting to the finals of Euro 2020 by designing our own football shirts, thought about how we could be a good friend and used adjectives to describe a setting and a character. In maths, we have been applying our knowledge of addition and subtraction within 20. In maths next week, we are going to be consolidating our understanding of counting in 5s forwards and backwards. **Please spend some time over the weekend practising counting in 5s up to 50 both forwards and backwards as this will support their learning next week.**

On Thursday, the children amazed us with their enthusiasm and energy as we held our sports day. Everybody showed sportsmanship and cheered each other on. We are incredibly proud of all of our Squirrels!

Please continue to read with your child every day and sign in their reading record once they have read.

Have a lovely weekend,

Gemma Rose and Helen Joslin
