

Squirrel home learning and newsletter

16th July 2021

Dear Parents/carers,

As we come to the end of our penultimate week in Squirrel Class, we can't help but be proud of the children and how they have all matured. This week we have been busy across all areas of our curriculum. We have spent time thinking about what happened to London after the Great Fire and how it was rebuilt. We have been practising counting in 5s and applying this to solve problems. In English, the children have written the beginning of their adventures for Claude and all of the children were able to include carefully thought out descriptions and some conjunctions.

Last week, I had the pleasure of meeting Suzanne Reeve and was able to share all the successes that each child has had throughout their time in year one. The children have had the opportunity to meet Mrs Wakeling this week and are already familiar with Mrs King and Mrs Wright who will all be supporting in year 2.

Please ensure that children bring in their reading books and reading records on Monday. We will be collecting them in and getting them organised ready for year 2 and so there will be no reading books for the final week of term.

Have a lovely weekend,

Gemma Rose and Helen Joslin
