I wonder what this means?

I wonder where you will steer yourself?

I wonder how you will encourage your friends to be the best versions of themselves this year?

At St Mary's....

**We try to be helpful.**

**We don't try to hide the truth. We are honest.**

**We share and take turns.**

**We try to be gentle. We are kind.**

**We don't interrupt. We listen.**

**We don't hurt others. We use words to resolve our problems.**

Dear God,  
Help me to use my eyes to see new possibilities  
this year,  
My ears to listen to others.  
Open my mind to learn new skills,  
Let my heart be kind to everyone around me,  
Help me to grow and learn each day,  
I want to be the best I can be this school year.  
Amen
