

Wraparound Care at St Mary's

We aim to provide a high quality before and after school care that meets the needs of our families. For parents, this means knowing your child is happy and safe in a club that is reliable and offers a consistent service. For a child this means an environment that is safe, supportive and encouraging. At St Mary's we believe all children have the right to play. Our Wraparound Care will provide a balanced weekly structure of activities and play experiences that any pupil from Reception to Year 6 is welcome to join as part of our whole school club offer.

What we offer

The Breakfast and After School Club offers wrap around care to all pupils who attend St Mary's Primary School. The provision within school offers various play and organised activities to suit all ages as well as a nutritious breakfast and light meal in the evening.

The Breakfast Club operates from 07:30am until the start of the school day at 8:45am. We provide a healthy breakfast of toast and a selection of cereals to set the children up for their busy day of learning.

The Breakfast Club gives parents those precious few minutes in the morning to be able to get to work on time and a good breakfast offers the children the best possible start to the day

The After School Club operates daily from 3:20-5:50pm. Children attending the After School Club are provided with a light meal.

Our Wraparound Club Leader is **Mrs Maria Fouracre.**
